Dear Mrs. Vitols !

I don't know whether you have already received the news, but first of all permit me to express my very deepest sympathy in connection with the death of your father. He departed from us at the end of March of this year.

You probably don't remember me, and I personally do not remember you very clearly. I was a classmate of your brother Fred in high school, and even after that our paths would meet for a while. As far as I remember, I saw you the last time at the wedding of Fred and Tamara in the apartment of your late father in Riga.

I corresponded with Fred for some time, but then our correspondence broke off. I have been thinking of how I could renew it, until I finally thought of this way. Therefore I ask if you would be kind enough to send the attached letter to your brother Fred. It would be very important both for me and for him.

Forgive me for imposing on you in this way, but I hope that you will fulfill my request.

Sincere greetings from your homeland,

/signed/ Dz. Vids
